Dear Morgan:

Your letter came in the mail this morning. Thank you for keeping me on your mailing list.

This is the most recent death in the Iler family. Probably have failed to send others.

Ten days ago I celebrated my 97th birthday. Am living alone in spite of my handicaps. Looss of hearing nnd Macular degeneration in both eyes. Sight very dim but am well cared for, good neighbors and many kin. So thankful.

May God richly bless you and thank you again. Oh, yes, I know I have made mistakes. Guess and take a good laugh.

Sincerely

I do not know if a connection can be made but both of these served in the Civil War and the same company and same regiment. I am a Civil War re-enactor and am trying to see if I fit with them some way. I am James William Oiler of the OS2. Thank you so much for your newsletters and if a third volume of all the back issues becomes available I am interested. Thanks so much.

Subject: Re: Iler's

My g grandfather, David Homan , named his daughter Mary (Tiler or Iler??). in his will.

¡ have found all of David's other childen mentioned in the will but Mary. David was Swedish & came from Gloucester Co. NJ in 1815-6 & settled in Clermont Co. OH He had married sons as well as young children when he came to Ohio,
he had been married 3 times. I assume for a long time that Mary had married in NJ and stayed there.
I also assumed that the name was Tiler but could find no trace anywhere until Herman said maybe it was ILER. David's will was dated Sep 27, 1823 in Cler. Co. Wmsbg. Twp.and you know how hard it is to read
some of that old writing.

David's oldest son was b. in NJ in 1787, then Eli in 1789 & Samuel 1792 and I think Mary would have been a sibling of these boys. Their mother was Mary Reeves & she & David were married in Philadelphia Sep 14, 1786.

Since the older married sons came to OH with David, I bet Mary did also.

Any help would be appreciated.

Mille

I have attached three files of data taken from my records. And I question any of them one will offer much help. But it does seem you are looking for a needle in a hay stack. Maybe these are more hay stacks for you to look in.

The "Mary.Txt" file shows Mary Iler's I know of who were born after 1785 or before 1820. Most of these Mary's are wives (the * or + signs after the Reference - 2nd column - indicates this). Reference numbers beginning with S are members of the S-Base family of Clermont County. This is not to say some of the others might have some association with Clermont County but it is highly unlikely. I checked several which seemed "possible" and they just didn't fit.

There were two Mary's, ID Numbers 20518 and 20367, which vaguely fit the circumstances... date, age, given name, location... but maiden names don't fit. The only chance I see is that they might be your Mary is if they were married before marrying an Iler and my records don't show their proper MAIDEN name but rather a previous married name. An FGR for each of these two Mary's is also attached.

If any of this intrigues you at all I'll be happy to check on some of my source information associated with these people as best I can.

Subject: Geneology

Morgan,

I receive your Iler Newsletter and appreciate the work you have done over the years. Geneology interests me although I do not have the time or money at this time to do the work that you are doing. We spoke a number of years ago. My father is Wilmer Lloyd, grandfather is Lloyd Henry Iler, and I am Kevin Lloyd Iler. My family is from the Van Wert/Paulding Ohio area. I am wondering what family I am a part of (C, I, J???)

I would like to track our family on the computer. This is easy for me as you have much of the work done. What are some programs that you recommend for this purpose? Would you be able to give my data on my branch? I want to add the detail that I know for my records. Then, if possible, I could send it back to you for your records.

Thanks again for your work and help!

Dear Morgan,
Boy, you are very prompt, and a huge thank you for that. Yes, the George Washington Eyler that I am looking for is exactly the man you sent in your attachment. Do you have him connected anywhere in your genealogy? Also, I am rather new at all this genealogy stuff, so I am learning as I am going. This is actually my husbands line, but I am determined to crack this stone wall and get somewhere. George Washington Eyler's 10th child, Oscar Franklin Eyler had a son, Orris Ray Eyler who had a daughter, Burneta Louise who had a son, Scott Ray Clark. That is my husband's connection to the Eyler line. But that is where it stops.
I do have some documentation on some of these Eylers. I don't know if you have them or are interested in them, but I would be happy to send you what I have. I have a death certificate for Oscar Franklin and the 1850 census of Hamiltonban Twp, Adams Co., PA.
Also, I understand that you know Ardean Styer very well. Well, so do I. It is because of genealogy that we connected about a year ago. She is sure a great lady and I am so blessed to have found her. We really enjoy chatting back and forth to each other, plus trying to figure this Eyler line out.
Well, I had better go. It has taken me long enough to get this sent. I would be happy to pay you for any of the copies, just let me know.

Morgan, 24 689- EG9

John Feagin told me to contact you about the line of genealogy that I am rather stuck on. The name is George Washington Eyler b: 24 Jul 1819. He is my husbands great, great grandfather and we can't go any further on this line. I do know that he married Margaret Lucinda Sprankle and that they had 11 children. They resided in PA and MD. One piece of documentation that I have is an 1850 Census in Hamiltonban Twp., Adams Co. PA. On that entry it also shows two other people living at the same residence with the same last name of Eyler. It is John age 76, and Susanna age 67. I am trying to discover who these two are and more importantly find out GW's parents names.

If any of this makes sense, I would appreciate letting me know. My mother-in-law has been trying to get further back on this line for over 30 years. I know that there are many George Eylers and even a few George Washington Eylers, but they do not seem to match up with MY George Washington Eyler. I am sure that we connect up to the main researched lines but I have not found the missing piece or pieces. Thanks for your time,

Dawn Clark

Hi Morgan. Thanks for your newsletter and information about the Iler's and Wagoner families. I have had a death in the family and have not been able to write back to you until now. I am enclosing a gedcome for the Wagner and Iler connection that you requested. It isn't very much and I can't find the father for William yet. I'm not sure how the susanna and Peter Wagner family fits in with Elizabeth, but I think there must be a connection somehow. I really appreciate all the information you sent. I wish there was more I could send back in return. I would like to continue to correspond with you. You have an excellent newsletter. Thanks again. Geri N.

Subject: Re: ILER information

Hi Morgan,

I have one more question about the ILERs. In this civil suit that I mentioned, Margaret ILER (who was married to William O'NEAL) says on cross examination "...never her or her daughter resided in St. Louis. They passed through. She has a sister residing in St. Louis" Unfortunately the questions were not recorded, just the responses, however the previous answer was that she had raised the girl from the time she was born, until the time she ran away.

Mary Ann CALLAHAN (the daughter referred to above) was born about 1843. In later census records she says she was born in MO and TN. Because of the limited time that the purported mother, Margaret ILER/ILLER (age unknown) had to give birth to a girl in about 1843, fathered by a CALLAHAN, somewhere in that time period marry George SCOTT, George died, and by 1847 she married William O'NEAL. It is possible but not likely. Therefore I think Mary Ann may be the daughter of the sister who is in St. Louis.

Have you seen any connection between the ILER and CALLAHAN and/or maybe St. Louis?

Subject: ILER information

Hi Morgan,
Clint Crocker told me that you collect ILER information.

I am trying to get some information on a Margaret ILER/ILLER. One Margaret ILLER married William O'NEIL/O'NEAL supposedly in Alabama about 1830. (IGI) This couple was in Rapides Parish, Louisiana in the 1850 time period with several children (This couple was well behaved and respected).

There is another Margaret ILER/ILLER who married a William O'NEAL/O'NEIL in April 1847 in St. Landry Parish (Opelousas), Louisiana. At the time of her marriage, she was the widow of George SCOTT. By 1859 Margaret was in Terrebonne Parish, LA with her niece (or daughter, relationship was reported both ways in a civil suit), Mary Ann CALLAHAN, who is about 15 or 16. William is in parts unknown.

Within two weeks after the suit was filed and settled, Mary Ann married Abraham WRIGHT.

Do any of these names mean anything to you?

Nancy WRIGHT in Terrebonne Parish, Louisiana

Oh Well, Morgan,
Thanks. Poor Mary Ann Callahan has been an "orphan" for so many years, we were in hopes we could find a mother for her, but Margaret ILER-Scott-O'Neal, doesn't seem to really know, or is willing to admit to, whether she is Mary Ann's aunt or mother. I will just write the article and let the civil suit be of interest by itself. It shows a connect to a family who seemed to be a part of the underground railroad. Of course, we will never be able substantiate that, it will have to be speculation on our part. Thanks for your response. With an ILER connection, I just couldn't let it go. I had to ask.

My (husband's) WRIGHT's are from NJ. Our earliest one was born about 1792, and appeared in Wilkinson Co., MS in 1822 when he bought property and married in the same year. Any information prior to that is a mysteryl

Richard, I have a Catherine Oyler born July 1839, daughter of Lewis and Sarah Oyler. She was born in VA. I have her married to Henderson Weeks in CA 1862. Died in Wisconsin 1906. They had 5 daughters: Martha, Sarah, Elizabeth, Cannada, and Esther. Does any of this connect? I figured she could have been married before to my grandfather.

Yes, I have Catherine in my files and with a marriage to Henderson Weeks but I have not heretofore had any record of their children. She and her parents show as being members of my "LC" line. Her father is the progenitor of this line as best I know the line at this time. The only thing I question is the location of her marriage to Weeks. I think it was at Mt Pleasant, IA (near Burlington) rather than in CA. Incidentally I have corresponded with DeAnna on several occasions and she is on my INL mailing list. I'll be happy to send her what I know of the LC family if she would like.

Hi Morgan,

Hope all is well with you. I signed up for three months on Ancestry.com, and have been searching their data bases for info. Some of the info is census info and I didn't have before, some I did. But anyhow, I do search on many of the spellings of the surname and I ran into these hits on the ILER spelling, and wanted to send them to you, even if you have the people, I thought that maybe this might be of some sort of help, as a record if nothing else. I like to have the records as souces myself.

I will continue to send anything pertaining to our families as long as you like.

Sure hope your summer has started off on a great note healthwise and that you get to travel as much as you'd like to this year.

I am going to close for now. Take Care. Be Well. Know that I think of you often and pray that you continue to enjoy good health. Write when you can. I always enjoy hearing from you.

Always, Brenda

Extract from "Climb Your Family Tree", Kate Ratliff.
Jacob Eiler or Oyler was borned in Germany in 1717 married Susanna. He died in Bedford City PA in 1797 (Richard F. Strait gives the 1790 date that appears here). Susanna died in 1790. He was a carpenter.
Source of information - Orphan's Court records Vol 6, pages 209 and 210, and Vol. 2, pages 32 1nd 33 of Bedford County PA. Some records of the Eiler family found at St Matthews Lutheran Church.

Jacob Oyler (Eiler) of Bedford Township PA died interstate. Conrad Eiler, his fourth son, filed a petition in Court expressing his father's wishes. In the petition all the heirs are named a Mary intermarried with Benjamin Weddle; Jonas; Peter; Lawrence; John; Catherine intermarried with John Link; Margaret intermarried with George Coffman; Barbara intermarried with George Hubbard. The late Jacob Oyler had asked that his heirs enjoy his land, 222 acres, as tenants in common in equal shares; if same could be so divided without prejudice or spoiling the whole. If not, give each heir equal share. Bedford Orphans Court. Vol. 2, page 32 and 33.

On October 3, 1738, Jacob and his father Conrad took out Warrants for 200 acre tracts of land in Lancaster Co., PA (Pennsylvania Archives Series, Vol. XXIV, page 399). The Recorder of Deeds office in the York county court house contains deeds recording these tracts as being situated on a branch of Codorus Creek, on the west side of the Susquehanna river, then part of Lancaster Co. now in Mannheim Twp., York Co. PA.

The following is an abstract found recorded in the Recorder of Deeds office in York Co., PA: Deed Book "F", page 508 December 5, 1763:
Jacob Eyler, Manheim Township, York County, carpenter, one of the sons of Conrad Eyler, late in Lancaster County, dec., in consideration of money (five shilling) to me in hand paid by Valentine Eyler, grants to said Valentine all his part of the land originally granted unto Conrad Eyler, by

Warrant in Land Office at Philadelphia dated Oct 3, 1736, situated on a branch of Codorus Creek on the West side of the Susquehanna River then in Lancaster County, but now in Manheim Township, York County, where on Valentine now dwells.

Bob Shore of Alexandria, VA has submitted a family group sheet for Jacob Oyler (John Jacob) that suggests that he was married twice, once to Anna and once to Susanna. Records provided prior to this show only one marriage for John Jacob.

He married Anna Maria Unknown, before 1743. Children:
i. John Jacob. Born, 5 Feb 1742/3, in Manheim, Twp., York Co., PA. Died, circa 1779. He married Susanna Watner. NOTE: John Jacob and John Frederick are twins. SOURCE: Morgan B. Iler of Omaha, NE.

ii. John Frederick. Born, 5 Feb 1742/3, in Hanover, Manheim Twp., York Co., PA. Died, 13 Feb 1821. Occupation: wheelwright. He married Barbara Unknown, circa 1775. NOTE: John Frederick and John Jacob are twins. SOURCE: Morgan B. Iler of Omaha, NE.

iii. Valentine "Felty".

iv. Conrad. Born, circa 1749, in Manheim, Twp., York Co., PA. Died, 6 Jun 1779. He married Anna Barbara Flught.

v. Mary.

vi. Jonas. Born, 22 Nov 1752, in Hanover, Manheim Twp., York Co.,PA. Died, 19 Apr 1825. Occupation: farmer. He married Anna Regina Harbaugh, 24 Apr 1781.

Subject: Hi Morgan!

Well, made it to the hospital and surgery so they could sew me right back up. The tumor is to big for them to remove. So I am recovering from surgery so I can go through Chemo and Radiation. Which I don't want to do and is why I chose surgery to begin with. Wanted to let you know that I got the papers and thank you so much. I have not felt like getting on the computer to much lately. Did I tell you that Kelly found my grandfather? She found Thomas W. Iler's pension information and the children are listed and it has as one of the children listed as U.H. b. Oct. 1st, 1974. This would be my grand father. Thomas was also married for the 3rd time to Mrs. Belle Cole on 25 Nov. 1909 in Morganfield, Union, Kentucky. Received this right before going to hospital.

Hope this finds you well. Thanks again for the papers and sorry it has taken me so long to get back to you. Pray for me.

Bye for now. Thanks again for all your help.

Subject: Hi and some info

Hi Morgan,
Hope all is well with you. Here is a bit of Oyler information, I do hope all this helps. I save it too.
I have been busy with the family, and I have started a new exercise program at our hospital, it's called Cardiac/Pulmonary Rehabilitation, it's supposed to aid in the strengthening of my heart and lungs. So, I have been busy, not enough hours in a day that is for sure.
You take care and know that I think of you often and as time permits am working on our genealogy.
Take Care. Be Well.
Always, Brenda

Hi Morgan!
Got the info in the mail today! Thank you very much!

The readout on the OHE Family, I am the daughter of Jack Nelson HOUCK and Nellie "J" WOODAL.

My grandma is Annie Daisy May OYLER (my mom's mom)

I was wondering who the other two people you have listed at the end are??? The names are Phyllis Marie Plachy & Peggy Taylor Carey.

Are these two also from this family?? Did you get the info from them? Do you know how to contact them? It would be great to have someone to work with on the same lines!

I did see a couple of names I know like, TRUEX. I have a couple of TRUAX lines. These lines also took on different spellings.

Well, I'm still trying to digest all the stuff you sent so I'll talk to you later!
Thanks again!
Sharon

Subject: Iler information

I am new to this and just now have your name as a 'repository' for Iler family info. How exciting for me! I am a greatgraddaughter of James Guthrey Iler who was born in Ohio and died in Nebraska after a sojourn of several years in Winterset,Iowa.
I have done some genealogy on my family and would be glad to add what I have to the Iler line. I have tried to learn more about the William Iler, father of James, who is thought to have been brought to PA by his father (from England). Please reply at your convenience so that I many learn what I have that might help you and of course later I would like to learn more about my relationship to you. I just met, on the net, an Iler cousin I didn't know before--such fun. T hank you , Cousin? Cecelia

Morgan, thank you for the reply. It is of great interest to me that you know the arrival of what I think is our line of the Ilers. Too, I'm new at this and the machine keeps telling me that I have misspelled Iler... also, see how we changed the type style? I may never find the original!

I believe William (father of James G) must have been born in PA and then moved to Ohio. Info I have is that James G was born Tuscarawas Co Ohio 1 May 1822, Md first to 1 Sarah Foster then later to my great grandmother Sylvia Sophronia Ree 9 Dec 1861. He died and is buried at Pleasant Dale NE, a small town west of Lincoln. He had been postmaster there after the Civil War--maybe a veteran's appointment? He had joined the volunteer cavalry butwas mustered out befor a year because of rheumatism. We have on that side of the family a history of arthritis... more later--my birth date 10 Nov 27. I will be glad to have you send me further information on your Iler line as you know it and I will certainly be pleased to send you a lot of things I know about the "Iler" world, far too much to do so via email.~~ I need a USPO address to do so.

Hi Morgan,

Just got done looking at the book you put together. I will fill out the tree and return to you as soon as I can. With what Cecelia Njust gave me on the Hall's I should be able to go back at least 5 generations. Did you get the pictures I sent to you? I believe, from the looks of the tree you did for me, that Will Iler was my gggrandma Sarah's half brother. Is that correct? My Aunt Helen said half brother first then changed it to brother. My aunt is 85 and she certainly does good to remember what she does. I did notice that you had my dad, Robert Hall Y0025821 and my birth years were wrong. My dad was 1921, not 1924, and myself should be 1949, not 1950. Also, Sarah E Iler died in 1952 in Portland OR not Akron OH, according to what I have on file. Hazel Hall Y002581 died in 1975 in Portland OR, Edward L Hall Y002582 was born in 1889 and died in 1972 in La Grande OR. Have a great week.

Thank-you for your response. My wife's mother is the daughter of Marvin Eilar, the son of Lonzo Leslie Eilar, the son of Jacob Lonzo Eilar, the son of Benjamin Eilar, the son of Samuel Eilar, the son of Valentine Eilar... I can read both GEDCOM and TMG files. I have a broadband connection to the internet so large files are not a problem for me if they are not a problem for you. We are interested in tracing the "Eilar" families here in the "New World" as well as the "Old World." I only "have" Samuel Eilar as the son of Valentine. Thanks again for any information that you might have to share.

Subject: Eilar Family Information

It seems that I have offended you in some way and please forgive me. I have been researching my wife's and my family history for about seven years and I appreciate the information that you've given. My uncle also got interested and went to Germany to find out about his mother's family (my grandmother) in Germany. While there, he was able to record old church records of the family (back to the 1400's), take photos of the family home, etc.. I recently came across the Eiler forums on Rootsweb and found your name, e-mail address posted. I was always searching for "Eilar" and never found much information. My wife's mother had several pages of typed information about the "Eilars" that went back to Valentine (maybe typed in the 1960's). Below is some information about our family and our "Eiler" connections.

Regards,
James Clouse

P.S. Please let me know what other information that you'd like to have. I have scanned images of Lonzo Leslie and his family, etc... Thank-you for the package that you've sent.

Subject: Frances EILAR Lybrook

Dear Morgan: Happened onto this when I was looking for someone else, but had just talked about Frances to a new found cousin Donita Hamm Clouse, whose husband Jim may have been in touch with you, she is also desc. from my Grandfather's brother Jacob, thru his son Lonzo, brother of the Charles that Tami Ann is desc. from.

Anyway as follows from the Albuquerque, NM Journal: Nov. 10, 2001 the following, maybe you already knew this but if not:

11655

Frances EILAR Lybrook, 77, a resident of Albuquerque for 20 years, died Weds. Nov. 7, 2001. She is survived by her sons, Kenneth T. Acosta of Albuquerque and John Acosta of New Smyrna Beach, FL; one brother Dr. John S. EILAR, Albuquerque; nieces, C.J. Upchurch and husband Jim of Aspen, CO.; and Patricia Ann; and nephew Garry Eilar & wife Lori of Albuquerque. Frances was known for her spunk, liveliness and easy laugh. She loved to dance and loved her dogs. Private family services will take place at the Chester T. French Memorial Mausoleum Chapel, 924 Menaul NE., French Mortuary, 1111 University Blvd. NE., Albuquerque.

A notice in the Nov. 9th edition also lists a granddaughter Brook Acosta and a step-daughter Peggy Acosta both of Albuquerque. Must be they inadvertently were left out of the Nov. 10th one.

I can attest to the "easy laugh," part of this. I enjoyed talking to her in the late 1980's when she did a search for me of the photo on page 194 (I think it is) of the 80th birthday photo of David Eiler, which had so many of my own family in it. She was lovely to me, regretted that my Father had not stopped to visit her Dad who wrote that book, said how much he would have loved to visit with him as family. Dad always considered that he shouldn't bother him as a professional man who would be busy. However when Dad was thru Albuquerque on the bus one time he did think about calling him, and didn't do it. Oh Well.....

Anyway Frances found the original in her Dad's files and sent me a copy & the negative and never cashed my check to her for the cost and bother of doing it. She said she had alot of letters to her Dad which she put in a drawer for her brother to look at and I think that check is still in that drawer. I wonder what will become of those files in that house as it was the family home she was in. I sure hope her brother takes good care of them or donates them to the LDS Church, of which she said he is a member as his wife is Morman, altho I notice she isn't mentioned here in this obit.

Many REgards, hope you had a nice Thanksgiving,
Mary Gilmore

Dear Morgan,

How you keep track of all the families, I don't know. I'm having difficulty just keeping track of my own Oyler family. I am in the process of organizing my files and resources so won't be doing much else until I complete this. I did want to give you a little info and then will check things over better when I get better organized.

21165 21163

Under Francis Duane Oyler, son of John Adolph Oyler and Dorothy Hulett, you mentioned that according to the IGI he was listed as the son of Carroll B. Quam. Carroll is his step-father. In The Church of Jesus Christ of Latter Day Saints, you can be sealed as a family to be together in the next life. When you are sealed, you are sealed to a mother and father. Since Dorothy Hulett was married a second time to Carroll B. Quam, Francis was sealed to Dorothy Hulett and Carroll B. Quam. The IGI doesn't go into details about step or adopted parents.

You have some information that I don't have on my family that you got from city directories so I will add that information to mine.

Also Lydia Oyler 21173 married James MUCK, not Merck. Lydia died 30 Oct 1999 in Rapid City, SD; is buried in White River, SD.

I'll check over more later.

Sincerely,

Dottie Nash

Solomon Lewis is a native of Montgomery County, Ohio. He was born January 9,1820. His parents were Nathaniel and Nancy (Snider) Lewis, natives of Canada, and emigrated to the United States soon after their marriage. In 1828 they removed to Wayne County, Ind., and in 1930 they were both carried away. Our subject spent his young life on a farm. At the age of twenty-one he began to do for himself by engaging at farm work. In 1841 he was married to Margaret Rinhart, a native of Preble County, Ohio, and principally raised in Henry County, Ind. This union was blessed with seven children: Christina, Jacob, Leander, Isabella, Melsona, Amanda, and Daniel, of whom Isabella and Melsona are deceased. Mr. and Mrs. Lewis are members of the German Baptist Church, and and have been identified with this denomination twenty-five years. They came to Huntington County over forty years ago when it was almost a wilderness, but a great change has taken place since their arrival.
Mr. Lewis began life a poor boy. He now owns a fine farm of 180 acres in Section 22. his improvements are first-class, which speaks well for the judgement of Mr. Lewis. Honest and upright in all his dealings, he now holds the respect and confidence of the entire community. Politically he is a Republican, and firmly believes in the principles of his party. He has dealt with his children liberally, and has assisted them in securing homes. He is a public-spirited man, and always indorsed any enterprise of a public nature which would benefit the community at large.

and they put it into a program, and send it back on a CD -- or in print -- or both. If you have the time, talent and willingness to do this, let us know.

Our staff here is limited as to putting it all together for each surname.... but we can do the copying. We have done a great deal of indexing -- to be able to find references.

But we do need help.

I am sending this letter to Kathy Dowling, wife of Jim Dowling, and they summer in the original John Snider house in Colchester which they own. Kathy's mom is/was Christine Lewis, and she is a descendant of John Snider. Kathy is interested in working with you on this and may have emailed you already....

Their Lewis family is probably not the one you are looking for.

However, I have a page on another Lewis family which I could send to you. They settled in Hagerstown, Wayne Co., Indiana, and my contact was with Christine (Lamoureux) Pulliam of 8902 45th Ave. NE, Seattle WA 98115-3856, and it is dated 15 August 1985. *(This Lewis family descended from John and Elizabeth Snider as well.)*

See pages 81-97

Christine Pulliam may no longer be living -- but it might be worth a chance to try to contact her -- She is not far from you~!

I will send you a photocopy of this Family Group Sheet if it sounds promising -- **just need your postal address.**

It is for Nathaniel Lewis and Nancy Ann (Snider) Lewis -- and she was the dau. of John Snider and Elizabeth ....?... of Colchester. This Lewis family seemed to be German Baptist.

Nancy Ann Snider was born 31 Aug 1794 and died 17 Oct 1830 at Hagerstown IN.

Lewis children were: Samuel, John, Solomon, Nathaniel Jr. Elizabeth, Susannah and Aaron. Most stayed in Indiana but one went to Iowa and Ohio.

This is all for now.
Let us know what you already have, and what you want to know -- or what you want to do if we sent you a bundle of bits and pieces.

This is a full transcription of the stones that are located on this site. There are a couple of marble posts (about 5 feet tall and 6 inches square) which seem to be out of place where they are located. The cemetery is on a small hill at the side of County Rd. #50 between Colchester and Kingsville, it is unknown to me if this cemetery once extended into the field behind the hill or if there are unknown individuals buried here. transcribed by: Cindy Jackson

892 HERWICK, Ida - Mrs. J.L. Herwick At Rest
On last Saturday morning, March 11, 1919, Mrs. J. L. Herwick, another pioneer of the western slope departed this life at 4:30, after a period of most intense suffering from cancer of the bowels.

Ida Oyler, was born on February 8, 1861 at Mason City, Missouri. At the tender age of six months she moved with her parents to Iowa where she spent her early childhood. When still quite young she, with her parents, moved to Takama, Nebraska where she experienced her first real sorrow in the loss of her mother.

On the seventeenth of February, l876 she was married to Josiah Lafayette Herwick. During the year of 1881 she moved with her husband and two oldest children to Colorado and located at Buena Vista where she resided for a short time and then moved to the western slope, locating in Eagle county. From that point she with her husband kept coming west and located at Glenwood where she lived for fifteen years, where her husband was engaged in contract work.

Eight years ago she made her final move when she and the family located in the vicinity of Grand Valley, a little later coming into the town where she made her home to the time of her death.

During the past two years she made trips to Pocatello, Idaho, Denver and finally she went to Grand Junction where she consulted some of the best physicians in that city. but it was all to no purpose, for feeling that her case was hopeless, she returned to her home in this city about weeks ago and from that time on she begun quietly but surely sinking till on last Saturday she drifted into that other life, where pain and the sorrows of this world are hushed in the joyful realms of eternal happiness that endure throughout the cycles of the infinite ages.

Mrs. Herwick's sojourn in this community she acquired a large circle of real friends. By sweet gentle manner she endeared herself to all who were fortunate in knowing her. The night was never too dark or stormy but she was ever ready to go and give succor and assistance to a neighbor.

The funeral services were held from the Methodist church in this city of which she was a member, last Monday afternoon. Rev. Mallory conducted the services and his sermon was a splendid tribute to the life of the beloved wife and mother; for knowing the family for nearly a quarter of a century he was able to speak with an inspired force that lifted for the time, the baleful sting of death.

The remains were interred in the Battlement Mesa cemetery across the Grand, where they were conducted by her six grown sons, who acted as pallbearers. A husband Josiah L. Herwick, ten children, Birdella Ashlock and William Herwick of Aspen; Fred Herwick of Pocatello, Idaho; Oren and Albert of Wyoming; Guy, Susan, Joe and Tina and Mary Duplice of Grand Valley together with a large host of friends are left to mourn their great loss.

Morgan, hope you had a great xmas. It's been a while since I have sent you E mail. We have been extremely busy at work with the terrorism issues. I'm off until the 3rd of Jan 02 if everything goes well.

Sandy and I have moved into our new home in Lutz Florida. The new address is 5403 Winhawk Way, Lutz, Fl. 33558. Same telephone number 813-961-2082. Same E mail address.

8048

Since last communicating with you several things have happen to our "Iler" family. Chris A. Iler our son got married to Lucia Vila in July of this year. I will get the exact date and send it to you.

Jimmy Iler, O'dell Iler, and Uncle Dan Newton passed away. Uncle dan was married to Dorothy Iler. I will have to get the dates on these for you.

Since moving to our new home I have apparently misplaced my last Iler letter, when you have time could you send me another one.

Hopefully I can take dad up to Savannah this year and vist where apparently William Iler is buried. I will send details if we make the trip. Thanks for all the outstanding work you have done and continue to do on the Iler name.

Love, Bill and Sandy

For whatever reason, the GED file did not attach itself and come through so I did not receive it. Sometimes that happens. You can either try an attachment again, try a cut and past, or I will mail the postage money if you tell me how much. I will send my line on the Oylers I have. (By the way, I have a Martha Amerine Oyler, b 1838, who married Rufus Erwin Foor (50414 My mother was a Bowman and the Foors are a part of my tree too) Is she Lewis Oyler's sister? I have a copy of Angeline Foor Oyler's Obit and some other information on her as well as on Lewis from foorgenealogy.com, too. Some of the Oylers are listed there because of the intermarrying.
I have never tried to export my files but I will give it a try, but just in case: (you may end up with the whole shooting match since I don't know what I'm doing.)
Lewis Emmanuel Oyler (30 May 1836 -Baltimore MD; d.1 Feb 1919) married Angeline Foor 3 Nov 1856; d.29 Aug 1856) Their children were:
1. Ida Oyler (b 26 Aug 1856; d. 29 Aug 1856) I have a picture of her headstone
1. George Oyler (b. 18 Mar 1858; d. 23 Dec 1867)

1. Pella Esther Oyler (b Sept 1860 Ohio; d. Dec 1949, Ohio) [my great grandmother and I remember he a little] married
Jeremiah Lafayette Smith (b. May 1852, Ohio; d. 1929 Ohio) and had seven children. If you want the list, I will get it to you. Let me know. This s my branch.

. William Oyler (b Feb 1863, Fairfield Co.,Ohio; d 1933, Lithopolis, Ohio) Lithopolis is in Fairfield co] married Sara Hunsucker or Hersucker (b. feb 1862 Ohio; d.1883) They had 10 children

1. Sherman Monroe Oyler (b 17 April 1865, Fairfield Co, Ohio; d. 15 Nov 1907. Married Carrie Hunter (b. July 1866 Ohio; d. 18 Apr 1888). They had 4 children

1. Dora Oyler (17 Sept 1869) I don't have it recorded, but I think she died as an infant.

1. Minnie Elnor Oyler (b 3 FEb 1874;d. 10 Jan 1912) married Charles Storts b. 3 Feb 1874; d 3 Aug 1892) I don't have any children listed so don't know.

1. Gertrude E. Oyler (b. Nov 1878, Fairfield Co, Ohio; d. 10 Jul 1901) married Albert Henry Foor. Four children listed

1. Charles Oyler (b. Nov 1879) married Elizabeth? Only one child listed.

1. Alla or Alva Oyler (B.1868) again I think she died in infancy, but have no record

. Carrie B. Oyler (b. Abt 1869) married Buxton
Lewis married a secondtim to a Mrs May Baker. I don't have any more nformation on her.

I visited Lithopolis very recently (I live in Wisconsin) where many of the Oylers, etc. of my family are buried. I think all the children were born in Fairfield Co. but not certain. Lewis and Angeline are buried in the Lithopolic Cemetery. I have a picture of their headstone.

As you will be able to see by the GEDCOM file I am attaching I have record of Pella Oyler but not her marriage, children or descendants. I hope you will help me expand my records of the family by providing me with further information about your branch, or any other part of the family about which I have no information. Any corrections or other additions regarding the people I do have record of will be greatly appreciated.

> As a chronicler of "Iler" families for many years I have been researching the "Iler" family name, and families.....
> Eiler-Eilar-Eyler-Oyler-Oiler-Iler. With the possible exception of Oiler I have living cousins with all these spellings of the family surname, and perhaps Oiler too if I but knew all the facts. I currently have data covering over 52,000 people (just short of 72,500 names), and 5000 (or more) individual family groups. All of these people are "Iler's", OR are members of, OR have some connection with, an "Iler" family.
>
> I will gladly share/exchange data with you, and hopefully help both of us "put more of the pieces together".
>
> A great many families and individuals of whom I have some record are "disjointed", i.e..unconnected, and I myself am looking for information which will help me link and consolidate/expand them for everyone's benefit.
>
> There are probably actually only about 100 (give or take a dozen or two) truly different "Iler" families, on this continent. I have not actively explored overseas connections, though I have come by some such data. My data covers dates before 1600 to the present. Incidentally I am a genealogical oddity. My father who was born in 1851 was 66 when I was born in 1917. My mother was his 2nd wife, 30 years his junior, and I was an only child by that marriage. He had 11 siblings. He was the youngest in the family.
>
> My father and I are descendants of John Conrad Euler (his surname can be found with any of the above - or other - spellings) the immigrant who landed at Philadelphia Sept. 11, 1729 (272 years before the WTC disaster). I have record of over 18,000 of his descendants.
>
> A half dozen or so other families for whom I have some record have between 500 and 2,000 members each. Two or three additional families in my files have known members upwards of 500 people. There are a great many more family groups with known members of less than 100 each. There are

My mother's best friend, Barbara Iler Butterfield, is interested in finding out about her ancestors. She's around 70 now, and is quite anxious that I find a connection for Alonzo Perry Iler to some parents - and grandparents. She gave me some basic information and as soon as I have it input in my database I will send it along to you. It includes some information you don't have as yet. Her grandfather was Alonzo Perry Iler, and she has all the info on his birth in Winterset. Since there were no Ilers in Winterset until James came, I think it's a good bet they're related, and am doing my best to find out. She is staying in Denver while her husband undergoes surgery, and just asked me yesterday. I appreciate all your help. Any ties you can find to anyone before Alonzo would be great. Thanks so much.

Sanda

I am attaching two FGR's - James Guthery and Alonzo Perry. They are in RTF format but are generally readable by any word processing program. Certainly by Word.

I don't know where Alonzo fits. He appears to have been born after James left Winterset but by my records any of James' sons born before that time had died by then or were too young to be the father of Alonzo. And speaking of "fitting".... where do you fit in the family line? Could he have been James' son?

Ok, here is what I've entered so far - you can see that some data is different - I have no record of Arthur or Zella having been born to Alonzo and Nina. Barbara got this from her dad, Lon Iler. Have you any idea where these two came from? Thanks. Cinda

Morgan, thank you so much! It imported beautifully. Now I can just look through to my heart's content. As for the relationship, my mother's best friend, Barbara Iler Buttefield, was a kind of second mom when I was growing up here in the Rocky Mountains of Colorado. She and her husband, Tom, have a horse ranch up there, and I worked on the ranch every summer until I moved to go to college. Her daughter, Nancy, now runs the ranch, as Barb is about 70 now. Nancy and I went to school all our lives together, her younger brother, Jeff, was my youngest brother, Nathan's, best friend. Her oldest brother Kenny was friends with my oldest brother Rick. So we were always together. She is having trouble finding out where her grandfather, Alonzo Perry, fit into the line. I told her I'd be happy to help search. Barb's husband just had surgery in Denver, and won't go back up to the mountains til Tuesday, so I was hoping to complete the search by then. It looks unlikely, now. I will try to contact the Tuscawaras Genealogical Society and see if there was any record of Alonzo's birth. Other than that, I think I'm about out of ideas for her. I do appreciate all your help - you've been more than kind.

Keep in touch.
Thanks,

Cinda

I had an email from Cecelia mentioning she had heard from you. Much like yourself she and I have exchanged quite a bit of information (along with several people over the years).

In an earlier email you spoke of Alonzo Perry's name being Iler thus indicating his father was an Iler. Most of the time yes, but I have run across quite a few cases of out of wedlock birth's where the child(ren) has/have taken the mother's surname. I am not suggesting that is the case with Alonzo Perry but I don't think it can't be ruled out in all the circumstances known at present.

I have attached a GEDCOM file with a complete set of data covering the Y-NI Families. A bit short of 1700 people. From comments you made in an earlier email I wasn't sure you fully recognized what a GEDCOM file provides you. Perhaps you are fully aware this allows you to create a duplicate set of (my) data for the Y-NI families with your own genealogical program. In such case I would recommend you create a NEW file rather than importing the data into any existing file you now have.

I put in the mail this morning a rather fat envelope of odds and sods. I also included some back issues of my Iler Newsletter.

Where precisely do you fit in the family? Are you yourself an Iler descendant or do you fit in the "in-law" category?

I'm pretty sure that I sent you that picture of the 4 Ilers'. At the time I was looking to see if you knew who they were. I now know who they are. The 1st one is of Lemuel Conrad Iler 1872-1954. The second is Jacob Iler Jr. 1811-1897. The third is Jackson Iler 1836-1898. The 4th is as follows, top left Lemuel Conrad Iler 1872-1954, top right (baby) Homer Roth Iler Sr. 1897-1982, bottom left Jackson Iler 1836-1898, bottom right Jacob Iler Jr. 1811-1898. The picture had to be taken between 22 Sept & 21 Dec 1897, because of the date of birth of Homer and death date of Jacob Jr.

I hope this helps you in identifying these Ilers',

*Burials at Graceham Church, Md., and in these records may be found concerning David: "He was quiet and obedient to his parents." We quote the following for the interest of any descendants:

Geo. Herbach, B. Feb. 20, 1726 at Geistweyler bey Keysers Lautern in der Pfaetz; came to America in 1738. First communed at Lancaster, May 18, 1752. Moved from here to Monscacy, April 29, 1754. Married, Oct. 4, 1746, the widow Catherine Bender, nee Willard at Creis (Crice) Crick. Shee came to America 1746. (Herbach, Moravian Archives, York Hist. Society.)

Rev. Henry Harbaugh said of him—he was a man of remarkable large proportions. He was not only very corpulent, but also of unusual height, amounting to almost a giant.

He removed to Harbaugh Valley sometime about 1760, in the region later called Hauvers District. When he came to the Valley, there was not yet a road in existence from the lower outlet of the valley up through it, only a path. They had to unload their effects, and leave their wagons at the eastern end of the valley; and make arrangements to convey their effects to the place of destination in some other way—no doubt on sleds, and perhaps on pack horses.

When were you in Illinois talking to my family? Did you talk to a Douglas Iler? He is my nephew, oldest son of my brother Lowell. As for Jack, he is my cousin. His Mom is Garnetta Iler b.Feb 22, 1918 and still living. She married Jack Reeves and had two children, Doris Ann Reeves and Jackie Reeves. Doris is the same age as me, 67. Jackie is a few years younger. The one I am going to send the information to is Jackie but now he is called Jack. I had a long talk with him and he said he would take what I had when I got it ready. I think he has a daughter who is interested in genealogy. The reason you don't have him in the family is you don't have his Mom or another aunt Dorothy b. Feb. 9, 1920, still living. She married Bruce Johnson (deceased) and they had two daughters, Janet May and Sandra Kay. I think they all live in Florida now. Was looking into FTM again and you can join it a month at a time. I might try that. I found my Mom's dad in there but gotta be a member before I can see information on him. I got so much I want to do I probably won't get it all done. Have I sent you the information on my Dad's family or just on my Dad, Mom and family? Let me know if I haven't. Will let you go for tonight. Mary Dee

Monroe Oyler emailed me in response to a question I put on genforum and suggested I write to you. My original question was regarding whether or not there was relationship between Conrad Oyler and Johann Georg Oyler (Euler). 21288 LO0
Th e latter is my ancestor who arrived from Germany in 1737 on the ship Townsend at Philadelphia. It seems he and his family located in Franklin County, PA and many descendents still live in around Chambersburg/Gettysburg area. Also, descendents of Conrad also are in the same area although many of the latter seem to have moved southerly into Maryland and West Virginia (then Virginia which also has a Franklin County). Perhaps Conrad was a brother to Johann Georg. I believe both attended university in Switzerland but that's questionable also. 22443
A descendent of J.G. was George Oyler, my ggrandfather who died in Chambersburg, PA in 1880. My ggrandmother, Lena Lamaster Oyler moved with most of her children to Reading, PA and died there in 1900. Her family background was French Huguenot who fled to Germany then USA and settled near Reading. A son of the original moved to Franklin County, PA and it was from that family that Lena was born.

22444 (OGE*)

I believe two of Conrad's descendents lived in W. Virg. One of them, Ammon, was converted to Mormanism and moved his family to Payson, Utah. One then established a fruit farm near Loa which is now part of Capitol Reef National Park. Some of the daughters of Michael Valentine Oyler (the fruit farmer) still live in Loa (but Cora Oyler Smith may have died in the 5 years since I had contact). A small book is on sale at the visitors center about the Oyler farm and family. They also had two sidelines....uranium mining with a hole in the face of a cliff with a park sign designating it as the Oyler Mine....and the second by rumor was as the best bootleggers in Fruita, Utah. The buildings are no longer standing but signs locate the property just next to a one-room school house still there. The teacher boarded with the Oylers. If you ever get to Cap. Reef N.P. be sure to look for the places.

Melvin

It has been very interesting and pleasing to receive your email about Johann George Oyler. I hope it opens a door for us to unravel some elements of our possible relationship. As remote as it may seem Monroe Oyler (Wm Monroe Oyler, C5664631-8871 in my records) is a 5th cousin once removed of mine. You asked him whether--

> .... or not there was relationship between Conrad Oyler and Johann Georg Oyler (Euler).

Maybe. I have no proof whatsoever, just a "gut feeling" that maybe there is.

You have opened Pandora's Box....

I don't know what Monroe may have told you of me and or my genealogical activities but I am going to included below a summary I often use to acquaint people with me....

As a chronicler of "Iler" families for many years I have been researching the "Iler" family name, and families..... Eiler-Eilar-Eyler-Oyler-Oiler-Iler. With the possible exception of Oiler I have living cousins with all these spellings of the family surname, and perhaps Oiler too if I but knew all the facts. I currently have data covering over 52,650 people (73,350 names), and 5000 (or more) individual family groups. All of these people are "Iler's", OR are members of, OR have some connection with, an "Iler" family.

I will gladly share/exchange data with you, and hopefully help both of us "put more of the pieces together".

A great many families and individuals of whom I have some record are "disjointed", i.e. unconnected, and I myself am looking for information which will help me link and consolidate/expand them for everyone's benefit.

There are probably actually only about 100 (give or take a dozen or two) truly different "Iler" families, on this continent. I have not actively explored overseas connections, though I have come by some such data. My data covers dates before 1600 to the present. Incidentally I am a genealogical oddity. My father who was born in 1851 was 66 when I was born in 1917. My mother was his 2nd wife, 30 years his junior, and I was an only child by that marriage. He had 11 siblings. He was the youngest in the family.

My father and I are descendants of John Conrad Euler (his surname can be found with any of the above - or other - spellings) the immigrant who landed at Philadelphia Sept. 11, 1729 (272 years before the WTC disaster). I have record of well over 18,000 of his descendants.

A half dozen or so other families for whom I have some record have between 500 and 2,000 members each. Two or three additional families in my files have known members upwards of 500 people. There are a great many more family groups with known members of less than 100 each. There are some "families" with no more known information than a census or marriage record and occasionally with one or more children. Other people appear to be connected because of the similarity of locations, addresses. And a great many more individuals with only a miscellaneous "event" or two have no confirmed relationships.

> The latter is my ancestor who arrived from Germany in 1737 on the ship Townsend at Philadelphia.

The (your) family line of Johan George is identified in my files as the "LO" family. Monore and I are members of the (3 combined lines) I identify as C-I-J. I suspect you are Melvin Wesley Oyler [OGE411-23255] and your wife is Mildred Mae (Mengel) Oyler [OGE411*-23256] who show in my files and whose Oyler ancestry I have previously believed to tie into the LO family but thus far have not determined exactly where. My record of your (my "OGE" line) starts with George and Leana (Lamaster) Oyler.

If I am correct I show you living (at least between 1992 and 1995) in Orlando, FL at 1615 Idaho Av and that you have a son Richard. Am I on the right track?

> Perhaps Conrad was a brother to Johann Georg. I believe both attended university in Switzerland but that's questionable also.

Presumably your George did (attend University) but I don't know about Conrad. See the FGR I have attached relative to what I currently know about Johan George [LO0-21288].

> A descendent of J.G. was George Oyler [OGE-22443], my ggrandfather who died in Chambersburg, PA in 1880. My ggrandmother, Lena Lamaster
> Oyler moved with most of her children to Reading, PA and died there in 1900.

As mentioned above I have not yet determined how the "LO'" and "OGE" lines are properly linked.

> I believe two of Conrad's descendents lived in W. Virg. One of them, Ammon [C5671-9135], was converted to Mormanism and moved his family to Payson, Utah.

You are generally correct. Actually he moved to the area of Rocky Mount, VA (not W Va) and he did move to Payson, UT in 1871. There were more than two members of Conrad's family who moved to VA.

> One them established a fruit farm near Loa [Michael Valentine Oyler, C56718-9705] which is now part of Capitol Reef National Park. Fruita, UT circa 1911

Yes that is correct as I understand things.

> Some of the daughters of Michael Valentine Oyler (the fruit farmer) still live in Loa (but Cora Oyler Smith may have died in the 5 years since I had
> contact).

Cora (Oyler) Smith [C567286-9708] was born according to my information about 1908 and died in February of 1999 at Richfield, UT.

> A small book is on sale at the visitors center about the Oyler farm and family.

I haven't seen, or previously heard of the book. Sounds interesting.

> They also had two sidelines....uranium mining with a hole in the face of a cliff with a park sign designating it as the Oyler
> Mine....

According to information I have acquired they filed a claim relative to the mine in 1913.

> and the second by rumor was as the best bootleggers in Fruita, Utah.

This sideline has previously escape my records. But from what I have seen and heard about the family that sounds like it is possible.

It is good indeed to hear from you. I received your email two or three hours ago and started a reply earlier but with lunch and several other interruptions I have been delayed in getting my reply dispatched. I hope I will hear from you further. Incidentally I have published an "Iler" Newsletter for about 11 years. I will be glad to send you a few back issues and put your name on my mailing list if you would be interested. To do so I do need to be sure I have your correct address.

Thanks for such a prompt reply. How in the world do you keep tabs on such a large inventory of Oylers and name variations? I notice you have info from Kevin and John Oyler. I've been in touch with both of them for sometime. Both gave me long lists and although our families diverge at different points, all three of us tie in with Johan Georg Euler (Oyler) and we have maintained the spelling. I'm not a genealogist although my cousin, Bonnie Yuhas is. We pretty well agree with Kevin and John. -1215
You are correct that I am Melvin Wesley Oyler and my wife is Mildred Mae Mengel Oyler. However, we have no connection with the Oyler living in Orlando. We are at 401 W. Vine St., Fleetwood, PA 19522 (610) 944-8909. We have three boys, Alan Richard, born in Key West in 1947; Jerry David born in Reading in 1950 and Peter John born in Reading in 1960. Each has two children, Karl and John, Jared and Amanda, and, Micah and Caleb in the above order.
As far as the Oyler line that moved to Utah is concerned, I have no known connection (unless Conrad was a brother to Johan Georg) and only mentioned them as an interesting sideline. I originally learned about them from the diary of a Mormon missionary named Boyle who left Virginia for Utah then was sent back to try to get converts. He succeeded with Ammon and family.

I'll be glad to put together the listing that we think ties my family to Johan Georg as well as some of the booklet on the Utah episode. It may take me awhile since Mildred is a post stroke victim and I am the only caregiver. I seldom get much time to myself to concentrate on something like genealogy. In the meantime, I'd be interested in the newsletter you edit. Mel

Hello, my name is Kim Iler and I am the grandaughter of Norman P. Iler, Sr. from Louisville, KY and the daughter of Douglass J. Iler. I am currently in graduate school studying art therapy and as one of my assignments I have been asked to do a family genogram tracing all the way brack to when my relatives first immigrated to the United States. However, I am having difficulty with getting information from the Iler side of the family. Fortunately, Bob Iler from Louisville, KY gave me a copy of your wonderful "Iler Newsletter," which is the only lead I have in completing the Iler side of the genogram. Anyway, if possible, could you send any information you might have on the Iler family. Thank you for your time. Kim Iler

It is nice to hear from you. And, I will do what I can to assist you but I may fall short of what you would like. To the best of my knowledge thus far no one has been able to trace your ancestry back far enough to establish who was the first Iler in your family (W-Base family in my records) to come to this continent. Also as long as I have been doing research on Iler families, 25 years or more, I haven't heretofore run into the expression "genogram". Despite the later shortcoming I can probably supply you with more than you currently are aware of and enough information to help you get a start at preparing your "genogram".

Your father and grandfather show in my records but thus far your connection to the Iler world has escaped me. I have a half dozen or so Kim Iler's in my files but I am doubtful any of them are you. I do find another Kim Iler in your line, presumably a cousin. You ask "could you send any information you might have on the Iler family." That might take a truck or two..... but for starters I have attached a bare bones "Ahnentafel" Chart for yourself as I best know your ancestry.

I may be able to elaborate on this to some extent but you can let me know a bit more about your needs for your project. I can perhaps mail you some things which would include considerable more detail.

Thank you for your immediate reply and list of distant relatives. In case you might want to add more names to your charts my full name is Kimberly Marie Iler b. 25, Aug 1978 (Louisville, KY); my parents are Douglass James Iler b. 30, June 1949, m. 1974 and Jaculin Leigh Ashcraft (Iler) b. 12, Feb 1951. I also have a younger sister, Kristina Marie Iler b. 14 Nov 1982. The basic requirement of my assignment is to research my different cultural backgrounds, hence tracing the names back to their country of origin. I am almost positive that the Iler roots are German but as of now I don't have much to go on. So, what would be most useful to me is if you have any information on the Iler name. If this is too much trouble please let me know, you have already helped a great deal with the information sent. Thanks again.

Kim

Thank you for the updates on yourself, your sister, and your mother and dad. I will put in the mail later today or perhaps tomorrow some further information for you which hopefully will give you some help. What I will send you is background material on some other Iler families who arrived on these shores about the same time as your earliest fore bearer probably did. One of these might even be your ancestor. And yes the origin of the name is German and perhaps before that Swiss. The root name seems to be Euler for most "Iler's". There are many spellings. I am including below some general back ground on myself and it is probable your family's origin is very similar. Attached is some more detail regarding my ancestor Conrad, my 4th gr grandfather.

As a chronicler of "Iler" families for many years I have been researching the "Iler" family name, and families..... Eiler-Eilar-Eyler-Oyler-Oiler-Iler. With the possible exception of Oiler I have living cousins with all these spellings of the family surname, and perhaps Oiler too if I but knew all the facts. I currently have data covering over 52,650 people (73,350 names), and 5000 (or more) individual family groups. All of these people are "Iler's", OR are members of, OR have some connection with, an "Iler" family.

I will gladly share/exchange data with you, and hopefully help both of us "put more of the pieces together".

A great many families and individuals of whom I have some record are "disjointed", i.e. unconnected, and I myself am looking for information which will help me link and consolidate/expand them for everyone's benefit.

There are probably actually only about 100 (give or take a dozen or two) truly different "Iler" families, on this continent. I have not actively explored overseas connections, though I have come by some such data. My data covers dates before 1600 to the present. Incidentally I am a genealogical oddity. My father who was born in 1851 was 66 when I was born in 1917. My mother was his 2nd wife, 30 years his junior, and I was an only child by that marriage. He had 11 siblings. He was the youngest in the family.

My father and I are descendants of John Conrad Euler (his surname can be found with any of the above - or other - spellings) the immigrant who landed at Philadelphia Sept. 11, 1729 (272 years before the WTC disaster). I have record of over 18,000 of his descendants.

A half dozen or so other families for whom I have some record have between 500 and 2,000 members each. Two or three additional families in my files have known members upwards of 500 people. There are a great many more family groups with known members of less than 100 each. There are some "families" with no more known information than a census or marriage record and occasionally with one or more children. Other people appear to be connected because of the similarity of locations, addresses. And a great many more individuals with only a miscellaneous "event" or two have no confirmed relationships.

There are several family historians in your line. While I question whether she can add a great deal more about your ancestry than I have, one of the earlier ones is:

Patricia Kelly Iler (she goes by Kelly)
1771-B Hayes St
Arlington, VA 22202-2714
(703) 521-5154

It is about a year since I last had direct contact with her but I suspect she is still living at this address. I am not sure of her precise status but she is closely associated with the navy. She was not

(6)

married the last I knew but that might have changed. She was born in 1955. She is your 4th cousin once removed.

In the material I will mail to you I will include several back issues of my "Iler Newsletter". I have also added your name to my mailing list.

Subject: more about Adam Euler

Morgan,

Good morning.

I have been given more information from my line of Eiler's. Some we already knew about, but this comes from the estate file of Adam Euler who died in Berks county Pa. in 1755. 24413

Adam's wife, named Anna Dillia Euler, remarried and his name Jacob Dexter. Adam's estate was intact until 1767, and Anna was deceased by then.

Adam Euler's children alive in 1767 were as follows;

35424 56107 56108 56109 24415
Michael, John, Maria , Adam Jr. and Susannah
EY EY.2 EY.3 EY.4 EY.1

32708 -
32718 - Sus.

Michael was the eldest, and in 1767 John & Adam were minor children with guardians! I am waiting for more details to arrive!

As you recall, Michael Eiler was my grt.grt.grt.grt.- grandfather.

Subject: immigrant on the vessel "Friendship"

MORGAN,

Thanks for the email and the attached files. That is a great way to organize those sources!

As for Adam Euler, this is the same Adam that arrived Philadelphia on the vessel "Friendship", and took the oath of allgegiance at age 33 (by memory I believe about 1741). His surname was transcribed Eyler, but his signature clearly EULER with umlots over the "U".

Wonder if any Adam Euler's of Pa. mentioned in that book by Dr. Eilar?

This from Adam Euler, Jr.'s will may help you sort out some unknowns!

I'm lookiong at a copy of his will, in GERMAN. I have an abstract in English:

three daughters; Cathharina, Maria, Elisabeth 56111-2-3

I recall a listing for the Justina Eyler HOUSEHOLD on the 1790 and 1800 Pa. census. On one I remember she was listed as Widow Eyler.

Morgan;
Well guess what, I have another for you. You may already have this one.
A friend of Mom's was doing some seraching in Winnipeg and came accross this during his find, and knew the last name was similar so he sent it to Mom, and of course, she inturn sent it on to me. Now it's my turn

This is from the Winnipeg Free Press, January 28, 1939, page 24, under Deaths

"EILER -On Jan. 24, 1939, Rose Marie Eiler, Daughter of Mr. & Mrs Stephen Eiler, of 243 Young Street, aged 6 years. Funeral Service will be held in the Thomson Chapel, Broadway at Furby, Monday afternoon, Jan 30., 1939, at 3 o'clock. Interment in Brookside cemetery."

Thank you for your reply. What really threw me was "Iler" BEETHAM(nee Fleury) especially when I didn't notice a husband's name
Was the Beetham a second marriage? Do you know, or just the information that I sent you in the obit notice.

One of there days, Shortly I hope since I only have 2 months before retiremant, I am going to send you some Money and Discs, and have you copy your information for me, Then I'll have to get the Program you are also using. My Family Tree is not as complex as yours. That is, if you don't mind sharing all you hard work with someone else in a different Country, and female. HA! HA!!
Anyways, I'm looking at the near Blizzard like conditions out my office window, thinking about what I said yesterday about the weather and how nice it's been. GEE DID I SAY THAT???????
The wind is just howling and it is very cold.
Stay warm and inside as much as possible, I know I am for tonight.

Sincerely

Linda

I'd better get this to you now before I misplace it. I'm not organized and have "stuff" piled up everywhere.

Seems as though I had something to say but can't remember.

Would you like for me to send you copies of data on Oylers that have been published in books on Franklin Co., VA?

Albert Westley Oyler was a decorative carriage painter at Beihle's Carriage Shop, 2nd and Penn Avenues, West Reading, PA. He also worked for the Railroad in the same capacity.

Albert was not of the best temperment and he and Ellen separated. Ellen went to live with her daughter. The Charles Oyler family (except for Melvin) all thought the world of Ellen and she helped the family considerably. As a child of almost two, Melvin has always had a vision of a woman visiting on Chestnut St., Laureldale, and holding him at the front door. Could that be real. Was it Grandma?

Reference Note 8

Johan Georg Euler may have attended the University of Basel, Switzerland but this is without foiundation. He married Catharina Pobb and both came to America on the Ship Townsend captained by Thomas Thompson. Arrived in Philadelphia from Cowes on the Isle of Wight, England on October 5, 1737. (This is the same ship and date with Christian Schlegel of Fleetwood, PA) They are listed on the records of the First Reformed Church of Philadelphia as late as 1760, therefore they may have remained in Philadelphia. There were 231 passengers listed on the ship and 76 adult males were named on the passenger list.Captain Thompson spelled name "Eyler" but signatures show "Euler".

Reference Note 9

Infomation from parish records in Eckartshausen, Germany, as researched and recorded by Her Egon Oertel, genealogist, in 1963. Work was commissioned by Margaret Voltz Lee, great , grand-iece of Anna Catharina Pobb.

Conrad Euler owned a large farm in Maryland. While Johan Georg had a son named Conrad, there also was a Conrad who came to America in 1729 and may have been related. His family grew very large and sometimes it's difficult to separate the two family groups. 36

Reference Note 11

Phillip Caspar Euler was called "Billie" and lived in Philadellphia. He was a blacksmith and fought in the Revolutionary War.

Reference Note 12

He and Anna Marie raised their family near Woodsboro, Frederick Cnty, MD and some say he worked a large farm there (though no deed located there).Members of St. Peters Lut. & Reformed Church at Rocky Hill, near Woodsboro formed in 1767 today known as Grace Lutheran Church. They spent their last days near sons, Andrew, Michael and Levi in the New Franklin area of Guilford Twp, Franklin Cnty PA. Both are buried at Grindstone Hill Cemetery near New Franklin, Franklin County, PA.

Reference Note 14

Andrew raised his family on a farm near the headwaters of the Falling Spring Creek, Guilford Twp, PA, presently,1995,known as 536 Briar Lane, Chambersburg, PA where the original housestill stands. Andrew and three of his brothers, Phillip, Michael and Levi were stone masons and built barns and houses. They allegedly travelled the countryside of Maryland and Pennsylvania in search of work. Tradition says they couldn't agree on one brother as boss, so each one would take charge of building a separate corner of the structure, only cooperating to finish the intersecting walls.

Reference Note 15

Michael owned two farms, one of 220 acres in Franklin County, PA and the other located across the Mason-Dixon line in Washington County, MD, containing 233 acres. It appears his home farm was the one in Franklin County.

Subject: Eyler data

Hello Morgan!

It's been a while since I've contacted you with any "meaningful" data ... just a few annoying "junk" emails that I've passed along to hopefully amuse you and let you know I'm still around!

Hope things are going well?!

I was perusing the internet this evening and found a link to Springdale Cemetery here in Western PA (about 15 miles up the Allegheny River from beautiful downtown Pittsburgh). I've often wondered what happened to one of "my" Henry Eyler's (C41A/7315) sons, Cyrus. Well, now I know. And, I know a lot more about Cyrus' family.

Hope you find this interesting (and not redundant data).

Take care,

Jim

Subject: Re: Eyler data

Hello (again) Morgan,

I can't find a fit for Dennis Eyler (and wife Caroline) and Grace (husband George Andrews) either... but that's what makes all this sooo much fun! (?) A never ending jigsaw puzzle.

As for which of the Andrew Mellons "Sarah Melissa" married... I made the assumption that she married Andrew Jackson Mellon (1860 - 24 Dec 1923) since they are both in Lot 133. Maybe a bad assumption?

Also, I appologize for not forwarding more info on Cyrus Sr's family earlier. I found Cyrus (et al) in the 1880 Census - Burrell Township, Westmoreland County

Cyrus - age 47
Rachel - 41
Harriet C. - 20
Charles M. - 19
Alice M. - 17
Andrew C. - 15
Malissa - 12 ("Malissa" in 1880 Census - "Sarah Melissa" in Springdale Cemetery)
Cyrus B. - 10

Along with Cyrus' Mother, Elizabeth, age 85 and a "Border", Daniel, age 85. Daniel was recorded as having the last name "Eyler"... but I don't know.

Also, Cyrus and Family were pretty good church goers as well - at least for a while. I visited Bethesda Lutheran Church in Lower Burrell a couple of years ago and got several birth dates for Cyrus' children from Bethesda's records:

Mary E. - 25 Sep 1857, Baptized 7 Dec 1861 47269
Harriet C. - 10 Mar 1858, Bapt 7 Dec 1861
(yep - I see that's only 6 months after Mary's birth. don't know where the error is...)
Charles M - 30 Nov 1860, Bapt 7 Dec 1861

28338

My notes from Bethesda show that Cyrus' wife, Rachel, was also Baptized 7 Dec 1861.

Hmm. Cyrus' 1st daughter Mary E. shows up in the 1860 Census as 3 years old. Not in 1870 or 1880 Census. I guess she could have gotten married at age 13 before the 1870 Census... but I'll bet she died.

Also, my copy of the 1870 Census shows a "Maranda A", aged 7 and a "Mary M" aged 3. Gotta wonder if Maranda A. is also Alice M.? And if "Mary M" is Sarah Melissa since neither Alice nor Sarah were listed.

Wonder sometimes if the Census Taker just made lots of mistakes?

...

Would be great if you made it out this way! Let me know if/when you finalize your plans. I'll make sure to be in town!

Well, I better quit rambling and get back to my Taxes! (Actually, get STARTED with my taxes!!)

"Talk" again soon!

Jim

Subject: 1700's Euler's resolved !

Morgan,

Christof and Antoni, the Euler brothers' have a more complete story! They will not connect with my immigrant Adam Euler, unless they were cousins back overseas ...They were born in the Province of Brunswick, according to church records in Reading:

Antoni Euler, native of province of Brunswick born Jan. 1, 1740,
burial, Pa. July 10, 1810

Christoph Euler, native of Brunswick, born 1750, burial 12 October 1804, Pa.

(Church burials, Trinity Lutheran, Reading, Berks county)

Christof's will (an online abstract), only mentions a wife Elizabeth, and his brother Anthony was living in Reading .

Christoph married Elizabeth Scharff, Dec.6, 1793, Reading, Pennsylvania, (records of Rev. Phillip Pauli)

Antoni, married Magdalena Koch, July 9, 1795 in Reading, Pennsylvania (records of Rev. William Boos)

Anthoni & Magdalena Euler had at least two children:
Wilhelm Euler, born Feb. 4, 1799, bp. Mar. 17, 1799
Johann Christian Euler, born March 27, 1803, bp. 28 Apr, 1803 **
(baptisms 1790-1812, Trinity Lutheran, Reading, Berks county)

**- Christian Eiler died in Reading,Pa. March 29, 1876 and is buried in Aulenbach cemetery

Morgan,

Sylvester Eiler, buried at Union cemetery with his parents, was the son of Robert & Emily. Sylvester & his first wife Mildred had at least three children: Connie, Lois and David Eiler. I understand two of those children are deceased, but I don't know which two.

I know of four children for Robert Eiler and wife Emily . The above named Sylvester Eiler. Fanny Eiler born about 1907, Beatrice Eiler born about 1911 and Helen Irene Eiler born December 1902.

I still have not located the wife John Stapleton. I will not give up. Sid Fox and the Marsh Collection have a death announcement which reads Annie E. wife of John Stapleton died on Oct 28, 1887 age 34.
There was a John D. Iler married to Susannah Wigle and they had 12 Children. The last child was Eliza. The date of her birth would be pretty close. Do you know if she died at birth? Les Fair seems to think she did. If this is not Johns first wife than I am out of ideas. Also would you know what the D. stands for in John D. Iler?

I thought you might be interested in this. If you recall I was looking for the wife of John Stapleton my great grandparents.
I now have a copy of her death certificate which reads Annie E. wife of John. She died in childbirth with 4th child (Edward) he too died. There is a death and birth registration for Edward which reads mother...Annie E. Iler....father....John Stapleton. A Watson Iler is listed as the person who registered the birth.
I have gotten this far but I do not have much other info on which Iler family. In Colchester South there are two Drains Systems named after Watson Iler and Alanson Iler and there is a Watson born Dec. 4, 1865.
If you have any info on Watson pls let me know.

Morgan I have a record of Anthony and Henry(Henrich)sponsoring a child named Jacob Franch in Baltimore Co MD between 1744-1749.
Also during this time period there was a Casper Euler/Oler in the same area. If I remember correctly Casper and Adolph were brothers. I am sure you have all of Anthony's info from the Peaked Church in VA. Anthony's son John Ayler went to Oglethorpe county GA .

Also on October 15,1749 the ship Irene made her third voyage from New York and arrived in London 21 November making a quick passage aas her log states of thirty days from land to land. Then the Irene sailed from Dover 11 May 1750 arrived New York 22 June with one Claus Euler aboard.

This doesn't ring any bells with me. You don't mention or suggest a surname for Anthony and Henry but I suppose it is some spelling of "Iler". I can't detect any two such individuals in one family in the early 1700's.

++

> Also during this time period there was a Casper Euler/Oler in the

These two, Casper and Adolph, appear to be the two sons of John Alers (EAL line) of which I am aware. I don't believe the father every got to these shores. I really don't have anything (recognizably so at least) for Casper but I have as many as 400 or 500 descendants for Adolph.

++

Yes, I do know a little about the son who went to GA, not much. The rest of the children are more or less a mystery I haven't unraveled..... but then I haven't tried very hard as it didn't seem any of the family were using Euler-Eiler-Eyler-Iler-Oiler-Oyler as surnames.... for Anthony himself I have found him recorded with about eight or nine (8 or 9) different surnames.

Claus Euler has escaped my dragnet completely. I do have two Claus' but both arrived much later.... 100+ years later.

Subject: 1840 census

Morgan,
Thanks for the reply. I am re-thinking the information about Johannes Eiler's wife Elizabeth. On the 1840 census Pa. Manheim census, he is correctly listed between age 60-70. The oldest female listed with age 40-50.Elizabeth was alive when Johannes died in 1843, but no evidence she was buried in the Eiler lot at Jerusalem cemetery. In 1840, Johannes oldest sons were John Jr. and Henry age about 35-37 !!

I know Elizabeth was the wife named on his will, but he could have been married before. No proof that Elizabeth was actually the mother of his children.

Also you will notice in my Lewis oyler line there Were some Cornelius named which leads me to Think there was a grand parent or Father of Lewis 1804 By that name.

MORGAN. As I was putting this stuff together I recalled Something. of these families did as most families of that day tradition was The 1ST Male was named after the mothers Father and the 1ST Female was after the mothers-mother then the 2ND Male was named after the Husbands Father So- you will notice on Lewis oyler B- Oct 18 1804 The 2ND Male is Cornelius oyler (OVER)

(250) Therefore that is why most think Lewis 1804 Father was CORNELIUS. What do you think? I sent only part of what I have. there is too much to digest.

W. Monroe Oyler

W. Monroe (8), Lewis (7), James Monroe (6), Daniel (5 Frederick (4), Valentine II (3), Valentine (2), Conrad Oyler

I have taken advantage of the fine work that h been done by Dr. Eilar of Albuquerque, New Mexic Mrs. Cleo Grigg Johnston of Boise Idaho, Catherin Schorn of Tulsa, Oklahoma, and many others whc have brought the immigrant family down through the first three generations.

I was fortunate to be able to connect our present line through my great-grandfather Daniel Oyler, who was born in 1816 in Marion County, Tennessee, to his father Frederick who was born either in 1875 in Maryland or in one or two years later in Virginia.

I believe Frederick was born in 1785 as his report to the federal census taker both in 1850 and 1860 shows this would have been approximately the right birthdate. Here is where I was able to tie-in with the work done by the above named family members so that I could have continuity from the first generation down through my own.

1st Generation: Conrad Oyler

We do not know for sure when the first immigrant Conrad Euler was born. It appears to be about 1690 in Hessen, and perhaps near Maar, a village near Lauterbach. I have corresponded with Karl Euler, a n about my age who was a retired major in the rman Army from World War II. Karl lives at Hahnenteichstrase 42, 6420 Lauterbach, Hessen, Germany. Karl sent me a copy of the Lauterbach elephone directory showing about twenty-five Eulers isted. He says the local church in Maar had a Euler crest on the wall inside and he said they have records going back to about 1400 A.D. listing Eulers in that rea. He mentioned there was a Konrad Euler listed in

the late 1600's who was m

From land deeds and marriage bonds the following family group has been compiled for Conrad Oeller or Eyler or Americanized Oyler.

GERMANIC "STATES" IN THE 18TH CENTURY

A map makes it easier to visualize the locations mentioned in the articles regarding the origins of the Oyler family in the Germanic states of Europe in the eighteenth century. Remember, a unified nation was not accomplished until 1871, when because of Otto von Bismarck's leadership, he was able to "attract" the other Germanic provinces within the former "Holy Roman Empire" to join his native Brandenburg, or Prussian district, making possible the birth of modern "Germany".

Are we related??

I am a 29 year old female who would like to know more about the side of my family that I never knew. I am not experienced in geneology, but thought there might be those here, who could give me some advise on where I should start. I was born in MN in 1972. My father is Jerry George Eiler, only child of Godfrey G. and Redella Eiler. I know that my grandpa had at least one brother (Roman), and I think at least one sister. 56915

I was told that My ansestors came originally from Germany, but I have no idea when. This is all I know.
nother thing that I am curious over; there is a possibility that my father may have fathered other children before me that possibly were adopted. I might have half-siblings out there that I don't know about.
If there is anyone who might know ways I can research this info, I would be really interested to fond out these things, and satisfy my curiosity. Any replies would be appreciated. My e-mail is...

Hi..Since your original message is 2 yrs old am not certain you are still looking but here goes...My ggrandparents (maternal) were Henry Schneider/Snyder, born if Hesse-Darmstadt 9 Sep 1844 married to Mary Elizabeth Eiler, born 3 Mar 1847 (place unknown to me at this time, although other relatives have researched this). I know that they must have been married in the Waukesha, Wisconsin area as that is where they lived most of their adult lives and are buried there. They had to have met and married in the US as Henry's parents brought him here as a child. They had 4 children, Henry, Alvin, Elizabetha and Mabel. Henry (#2) was my grandfather.

Hello Morgan,

15572

I am writing to see if you have any information on Jacob Iler of Washinton County, Virginia. He was born around the 1740s. I do not know his wife last name, but her first name is Mary. There have been various spellings of the Iler name as you have mentioned, making it hard to find a connection. I would appreciate any information that you could supply me with. I can supply you with information from this line to present, if interested.

Thank you,
Nathan e-mail:sloan@england.com

Morgan,

Thank you for the email & attached files. I have figured two children that fit with Daniel & Elizabeth (WEnrich) Eiler:

56682

Catarina Rebeka Eiler, daughter of Daniel Euler & Elisabet, is listed on the 1860 North Manheim, Pa. census, as her given name Kitty R. Eyler. Have I missed her on your printout. YES

Your key #'s 56684 and 48787 are one and the same. Lucinter must be a transcribed error of Lucinda Eiler.

ENTERED

56822

Now, major change with Daniel Eiler's parents. Catarina 1779- 1827, was another wife of Johannes Eiler, and she was the mother of most if not all of Johannes' children. Referencing the copy of the will you sent me naming Johannes wife Elizabeth. Elizabeth was not the mother of Daniel, Catherine, Elizabeth, as I had assumed, and this explains her age question on the 1840 census ...

I barely have my head above water. On Monday I returned from an eastern trip which was ~~just shy of~~ 3400 miles and 3 weeks & 2 days long. Had a very enjoyable time. Passed thru your part of PA but didn't get to stop and do any digging. Stayed one night in Pittston nr Wilkes Barre. Brought back a lot of new pieces but none I recognize being associated with your EY line.

The Peter L Eiler could seemingly be my FS01-55476 and his father could be a0606-351 - see attached. I'll make FGR's if you would like.

Piece by piece you are building. It seems the pieces are beginning to come together. A tough road.

She died 1903 in Brownsboro, Oregon. Thats only about 30 miles from where I live. I'm going to drive over today and view the grave.

Subject: Oyler Genealogy helped wanted.

My name is Vicki Hartman nee Koller and I'm looking for the ancestors of Susannah Oyler. This is from my husbands father's line. We **think** her father was Jacob Oyler but do not know. The Hartman Homestead property came into the Hartman family from her family. Can you help me here?

Susannah1 Oyler was born Abt. December 6, 1793, and died July 1, 1874 in Age 80 yr., 6 mo., 26 days. She married Solomon Hartman, Sr., son of John Hartman and Magdelene Ritter. He was born August 30, 1788, and died July 12, 1854 in Age 65 yrs., 10 mo., 12 days.

Notes for Solomon Hartman, Sr.:
They acquired the "Home Place" from her family in 1838. See copy of deed.

Children of Susannah Oyler and Solomon Hartman are:
2 i. Barbara2 Hartman, born July 7, 1814 in Arendtsville, Adams County, PA. She married ?? Schwartz.
+ 3 ii. Jacob Hartman, died February 16, 1899.
4 iii. Mary Hartman. She married ?? Van Dyke.
5 iv. Eliza Hartman. She married Henry Beamer.
+ 6 v. Solomon Hartman, Jr., born October 26, 1823; died May 14, 1899.
7 vi. George Hartman, born 1826. He married Deliah.
8 vii. Daniel Hartman, born 1832; died 1836.
9 viii. Samuel Hartman, born 1833.
10 ix. Sara Hartman, born 1836. She married ?? Minter.

Vicki

As you will see at the end of this message home base for me is Omaha, NE but I am "on the road" at the present time. Your email caught up with me in eastern OH near Steubenville and this morning I am in suburban Pittsburgh staying for a couple of days with a distant Eiler cousin. I have my computer files with me on my laptop and a search thus far has not lead to the Susannah Oyler you are looking for. She certainly has not popped out at me. I have also checked for her suspected father Jacob but again I have found nothing concrete. Lots of Jacob's.... dime a dozen so to speak many of whom I have little more than a name. I have attached a file (J-LER.txt) of some Jacob's but this unfortunately doesn't provide much detail. I have looked at a few of them and the only one I think might offer some hope is Jacob Oyler (C51-1262) who had a daughter born about the same time. She shows at the bottom of the second page of the attached FGR (FG01262.rtf).

I question how much help this offers but you may find an item or two of some interest. All my paper records are in Omaha so I can't lookup any supporting detail for you until I get home again in two to three weeks. I can send you FGR's and such for any of the Jacob's which might intrigue you. This doesn't mean they will offer a lot of info. If you see anything which especially intrigues you let me have my TMG_ID number and I be glad to send such details as shown on my computer.

Below is a general summary of me and my genealogical activities which may be of some interest.
====================

As a chronicler of "Iler" families for many years I have been researching the "Iler" family name, and families..... Eiler-Eilar-Eyler-Oyler-Oiler-Iler. With the possible exception of Oiler I have living cousins with all these spellings of the family surname, and perhaps Oiler too if I but knew all the facts. I currently have data covering 53,650 people (74,820 names), and 5,000 (or more) individual family groups. All of these people are "Iler's", OR are members of, OR have some connection with, an "Iler" family.

I will gladly share/exchange data with you, and hopefully help both of us "put more of the pieces together".

A great many families and individuals of whom I have some record are "disjointed", i.e. unconnected, and I myself am looking for information which will help me link and consolidate/expand them for everyone's benefit.

There are probably actually only about 100 (give or take a dozen or two) truly different "Iler" families, on this continent. I have not actively explored overseas connections, though I have come by some such data. My data covers dates before 1600 to the present. Incidentally I am a genealogical oddity. My father who was born in 1851 was 66 when I was born in 1917. My mother was his 2nd wife, 30 years his junior, and I was an only child by that marriage. He had 11 siblings. He was the youngest in the family.

My father and I are descendants of John Conrad Euler (his surname can be found with any of the above - or other - spellings) the immigrant who landed at Philadelphia Sept. 11, 1729. I have record of well over 18,000 of his descendants.

Additionally I have information regarding a half dozen or so other modestly large families for whom I have record of between 500 and 2,000 members each. There are another two or three families in my files with known members upwards of 500 people. There are a great many more family groups with known members of less than 100 each. There are still other "families" with no more known information than a simple census or marriage record and occasionally with one or more children. Other people appear to be connected because of the similarity of locations, addresses. And a great many more individuals with only a miscellaneous "event" or two have no confirmed relationships.

Subject: Re: Oyler Genealogy Help!

Morgan,

I thank you for responding so quickly. The Jacob you sent the Family Group sheet on is the one I keep coming back to as well! My Susannah is buried also in the Greenmount Cemetery in Arendtsville, PA. I am going to be leaving tomorrow to head to may daughter's college in Virginia to pack her up and bring her home but prior to that we will be staying at my in-laws house in Virginia and on Monday we will be taking a day trip to Gettysburg and Arendtsville. It's only about a 2 – 2 ½ hour drive up. I am hoping to find more info on that trip. I am relatively new at this as I've only been at it for about 1 ½ years.

I know that the Hartman homestead came to us through her family and I need to figure out how to track the ownership of that property. I have pictures of the homestead and know where it is. Have been there to see where my husband's grandfather grew up. Very pretty place. My daughter keeps saying she wants to buy it back into the Hartman family. We'll see.

If I find any more information I'll let you know as well. This could give you more information for your database too.

What program do you use to keep track of everything?

My genealogical background is all based in Berks County, Pennsylvania with a small number in Lehigh County. My husband's is in Adams County, Berks County, Northampton County. I've run into several road blocks on my side thought with the almost impossible Adams Surname, the Koller Surname is a bit easier, and the Fritzinger Surname has been impossible as well. The two difficult ones being on my mother's side!

Thank you again for the info and I'll be sure to get back to you if I make any connections.

Vicki

Sorry I couldn't be of more help. My plans are unsettled as to specifics for the week ahead but I could very well be in the Greenmount Cemetery or vicinity about the same time as you are. I'm headed that way.

You asked, "What program do you use to keep track of everything?" TMG, The Master Genealogist (see, www.whollygenes.com). If at any time you think I might have some information of interest to you don't hesitate to drop me a note.

Hello Morgan,

Received your latest INL yesterday - enjoyed reading it (as per usual)!

I have been in contact with a Deb Keller, in Des Moines, IA. She is doing research on a George Wallace (no, not the (in)famous Gov. of Alabama) (abt. 1749-1812). Her research has connected the Wallaces with the Eylers. 56911

56910

Elijah Eyler (C41A2-28357) married Eliza Jane WALLACE (28358). Eliza Jane was the daughter of Charles Wallace (1795-?) and a Maria Peters (1795-?). 56912
And, for what it's worth, Charles Wallace was the son of George Wallace and Jane UNKNOWN. Charles Wallace had his farm next to Henry Eyler's in the early-mid 19th century according to a copy of an old map I have.

56913

Also, Deb Keller's work has uncovered the final resting place for the first of Henry Eyler's (C41A-7315) sons, Joseph (C41A1-7317) and Christiana Byerly (28364). Please see the attached for more details.

With Deb's help I now know the "begin and end" dates for all of Henry's children. It's great having little "victories" from time to time! :)

Hope you get to pass through Pittsburgh on your planned trip! Poppy and I would love to see you! We can "put you up" for a couple of nights, if you decide to spend some time (hope you don't mind cats... we've got three)! Otherwise, there are lots of hotels here in Cranberry Twp.

Take care,

Jim

Morgan

I am still at it and have turned up some other info on Annie E.
It would appear to me and others that maybe I have come up with something that looks possible.
In the 1871 Census for Colchester South Jacob Iler the minister is listed with family members. Jacob age 52, Hester or Esther age 44, first child hard to read handwriting of census taker, looks like Ann age 18 which is what her age would be and 6 other siblings. Jacob and Mary Ann Esther Buchanan were married in 1851 and we believe that Annie was born 1853 as she died in 1887 at age 34.
Jacob probably married John and Annie. It is said that Jacob Iler and James Stahl witnessed his second marriage to Hester Quick/Allen.
I certainly will investigate further but it does look promising.

Pat

Your message found me in Pittsburgh, PA at cousin James Eiler's for a couple of days. I am on the trip I mentioned in my last INL. Your new info appears interesting.... but the first child by may records is Alice Iler. I have attached Jacob's FGR as I best know him (and her). Hope this doesn't throw too much cold water on your hopes. If you think I can help at any time please don't hesitate to drop me a line.
